“ My condolences to the Tracy family. I had the great pleasure of working with Dennis for over 20 years, he will be truly missed. Dennis always found a way to put a smile on your face and always had amazing stories of his trips to Alaska. Dennis and I always had conversations about God, and I was so happy to know that Jesus was the Lord of his life. Dennis, I hope you are enjoying the sights in heaven because I know they are far more beautiful than anything this earth has to offer. Dennis, you are freer now than you have ever been. Until we meet again my friend Eddie

“ *I've known the Tracy family since the early 60's. Denny and I have been good friends throughout the years. He was always there for myself and so many others-the first to reach out in times of need. I am thankful that we talked a couple weeks ago. I will miss him like no other. Peace and love to all of you. Randall Balensiefen*

“ *I started work at Kroger in 1982 and DT was one of my best friends . We spent a lot of time together in the early 80's talking Cubbies Baseball and the Bears. I left Kroger in 1998 and went back to see some of the old guys at the Kroger DC on Bouldercrest a couple of years ago. I walked in the door and there was DT. I went into his office and he showed me pictures of Alaska . He was truly happy. It hurts to hear of his loss but your not judged by the years in your life but the life in your years. Amen DT to a life well lived. Prayers to his wife. God Bless.* ”

“ I’ve known Dennis since junior high. We were housemates after high school. We shared many an adventure, none of which will be told here. I joined the military and we parted company for over a decade, but Dennis being Dennis, he reconnected in the late 1980s. After that he never missed a holiday or birthday phone call. Made numerous visits to his home especially on my trips to Ft Benning. He and Janice entertained my visiting British family one Halloween. They always talk fondly about that trip. When my wife and I retired and self-moved, Dennis and Janice opened their home to us on our trips between Ohio and Florida. We always hoped to have some new adventures together after his and Janice’s retirements. So sad he was taken so soon. He was the best friend anyone could have. R.I.P. brother.

“ Mr. Denny was the best neighbor I've ever had, more like a second dad who always was there if I needed him. I recently moved back to Covington and one of the great things about coming back was that he would still be my wonderful neighbor. Every child in the neighborhood knew they were allowed to go in his garage and get a soda without asking, his home was open to everyone. He taught my daughters to garden when they were just toddlers and they gave him the name "the tomato man". His good deeds are countless, his heart golden and the void left in our little community is huge.

“ So many awesome memories of My buddy! We had a lot of fun and serious conversations working that loading dock together. Denny was friends with everyone He knew. My heart is broke, but I know where He is. He will truly be missed and our Monthly phone conversations will be a big void in my life now. Prayers up for the Wife and family.

“ We would like to share our condolences to the Tracy family. So sorry for your loss. Denny was a GREAT friend of ours for over 30 yrs. I was a neighbor to him for 10 yrs. and he got me hired on at Kroger over 30 yrs. ago. When we sold our home to build a new one Denny offered us to stay at his home and share the bills while our home was being built since he was in his home by himself. I mean who does that ? Just shows what a Great heart he had. We had all of our furniture stored in his garage. CRAZY I know. Denny we are going to miss you. Love You man. I know the Lord left his doors wide open for you.

“ *Janice and family, my prayers and with yall. My heart is broke. Dennis was the best friend I have ever had. He has called to check on me since I retired on a regular monthly occasion. I was so proud and excited for his retirement as much as he was. We shared so much for the 32 years I spent at kroger. I am sure my number is in his phone. If my wife or myself can do anything please call. I am heartbroken. He is soaring high around us. Prayers and Hod Bless You All.*

To Dennis's wife my prayers are with you and your family. I've had the pleasure of knowing Dennis for over 38 years and working with him for 27 years. I have always enjoyed talking with him and the respect we gave each other. We all ask why but only God has the answer but we know he is safe in his bosom and at peace. We will keep you in our prayers long with his many friends.
