“ The last time I saw Uncle Dewayne was at my wedding in October. A fond memory I have of him occurred on this day. My brother-in-law, Robert Turner, decided to rap his signature song that he always performs at events, and Uncle Dewayne was front and center waving his arms back and forth like he was at a concert. I was laughing so hard, and my cousin Teeka just shook her head and said, "Bless him." It makes me smile and I am so happy he was able to be there to share in our special day.

Rest in Peace, Uncle Dewayne.

“ *Life is but a stopping place,
A pause in what to be,
A resting place along the road
To sweet eternity.
We all have different journeys,
Different paths along the way,
We all are meant to learn some things
But never meant to stay...
Our destination is a place
Far greater than we know.
For some the journey's quicker,
For some the journey is slow.
And when the journey finally ends,
We'll claim a great reward
And find an everlasting peace,
Together with the Lord.*

We love you, Beverly & Larry

“ Sending God’s blessings to Dewayne’s mother, wife, children, siblings and grandchild. May you all find comfort and peace during your time of bereavement. I met Dewayne on his 1st day at GSA in the Miami Office. I could tell immediately we would be good friends; he was such a super nice person and an awesome cook. I remember those great breakfasts and lunches he would cook for the office, especially on Fridays. And for those of you who remembered the fried turkeys on Thanksgiving Day. When he left us to return to Atlanta, he consistently stayed in touch. We had many conversations about his mom and her courageous fight which is truly an inspiration. I could go on and on about how personable and compassionate he was, but I can see from reading all the tributes how he touched everyone he met. I will most certainly miss his friendship, but I know his work & journey on earth is complete and it’s up to all of us to continue what he left behind. May he rest peacefully in the loving arms of God.

“ D...! I cannot believe that I’m writing a message for you on a Tribute Wall...We had just touched bases the day before you left!...And you told me you were ‘doing good’. I will always remember you for your jokes, your passion, and loyalty that you had for your work. You were my RIGHT HAND at Dobbins! You made sure our contractors knew YOU were in charge! Lol. Tons of fun memories I will never forget. When I followed you to GSA, you knew how to brighten up my day. You were always willing to extend your help. We were planning to meet for lunch, but unfortunately, until we meet again...

D, I’m thinking and praying for you and your family during this difficult time.

“ Learning of Dewayne’s passing was shocking and sad. He will truly be missed.

From my perspective, I saw Dewayne as a loving husband and father, a successful businessman, and a great brother-in-law to me.

I always looked forward to seeing Dewayne at our many family functions. He was gracious, kind, and lots of fun. He was also one of the best barbecue cooks of all time. During our family gatherings, Dewayne and I enjoyed watching football together, playing pool together, and fishing together. We even had a few serious ping pong matches. Of course, Dewayne won since he was a polished ping pong player in his Army days.

Aside from having fun, Dewayne was always willing to help anyone who needed help. He was very knowledgeable, talented, and generous with his time. Dewayne was a great help to me, my family, and my Dad. When we started our horse farm, Dewayne taught me how to operate my farm tractor, helped me build fences, and answered my plumbing and electrical questions. In addition to helping me, Dewayne was happy to help any family member who needed help.

While Dewayne will be greatly missed, countless fond memories of Dewayne will always be with me and everyone who knew him.
