“ I worked with Hollywood at the Lakewood GM plant for many years. I, and another friend of his, installed the chain link fence in his yard for gas money and lunch. He fed us T-bone steak. I offer my condolences to his family. Harold E. Baldwin

“ *Never met Warren that he did not have a smile and big hello for you. He married a wonderful girl, Maude, who attended Jonesboro High School with me. She did not graduate, but we were friends. Warren , you will be missed by all who know you.*

“ Susan, Todd, kids, Bobby, and other family members, so sorry to hear of Warren's passing. What wonderful memories I have of sharing breakfasts with "The Breakfast Club" for many years before retiring and moving back to Bluffton, SC. Even on my visits to Conyers, I would make sure that I always had breakfast with "the gang". Warren had so many stories that he shared with us. He always had a smile and made us laugh! It was always such a joy to bring him oysters and shrimp from SC. He would ask Frank when I was coming to Conyers because he would put in his order for me to bring some to him. He loved seafood. Sorry I won't be able to make the service on Wednesday but please know that ya'll are in my thoughts and prayers and may God give you peace and comfort in the days ahead.
