“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ As a member of Albany High class of 1989, I have very fond memories of Mrs Tate. She loved to teach! I will always remember how her eyes lit up when she taught us something new in chemistry and we caught on. She enjoyed the amazement and wonder in our eyes as we watched a new chemical reaction unfold in one of her experiments. I never fully understood that thrill until I started teaching children myself. Science was always my favorite subject and she made it even better. Mrs Tate was always someone you could talk to and confide in. Her family is in my thoughts and prayers.

“ Class of AHS 1984. My memory of Mrs. Tate was her laugh. It was a very loud, throaty, feel like you missed out on the BEST joke ever laugh! You just knew she loved life! I am so sorry for your loss! But she made a huge impact on so many students!

“ I taught with Diane at Albany High School. When I went to AHS, it was a veteran facility that was very definitely a family. I specifically remember that Diane made a special effort to make me feel welcome. She was a kind lady with a sense of humor I appreciated. Diane was very supportive when I was diagnosed with breast cancer. She made an impact on many lives.
