“ *Lots of great memories playing music with Don in the band, Junkshun. When I 1st joined the group Don made me feel most welcome -- this was probably 1973 or 1974 -- I played with them until I moved due to job change in 1977 to Charlotte. In his FB page, I'm the guy under the hat. Several years ago, I hosted a "reunion" of the band @ my house and Don, Gary and Marvin attended. We had a blast. Don and his wife, Bonnie came several times to hear my current band, Fair Oaks. I also know he was very dedicated to assisting/helping the Miracle League. He will be missed by many. RIP my dear friend, Dave Ferguson*

“*Don was a blessing and an encouragement to me. Enjoyed him playing Silent Night on his guitar for our congregational singing at church during Christmas time. Loved to swap stories about our latest meal at a Bar-B-Q restaurant we had eaten at. Last time he was at church we talked about going to eat at a new place coming to Covington called the Tickled Pig, so sorry we were not able to do that. May God comfort the family members and friends at this time.*
