“ While I didn't know Mrs. Adams, I do know her daughter Mary. If Mary is a little reflection of her mother, Ms. Donna had to be a great woman because she did an outstanding job raising her daughter. My condolences go to the family.

“ Sometimes in life, you are blessed to meet people that are selfless, kindhearted and have a beautiful soul. I have been truly blessed to have known Donna. She never stopped caring for and loving on people. She was always willing to go above and beyond to make sure everyone was taken care of no matter what it took. Heaven has truly received an angel.
