“ I met PreacherMan on the radio less than a month ago. The channel was quiet and had a great time talking with him. When the conversation went a little deeper, he quickly realized he was not talking to me by accident but it was a call from above! He reached out to a man who was hurting and wounded and brought encouragement, fellowship and then he prayed! I think he had a family member that was ill so we agreed to pray on the radio at the time but to keep each other in prayer moving forward. My Father passed on the 14th 7 days after my B-Day and that's a hard hit losing my Best Friend, Father, Mentor and a GREAT MAN! I say he walked in the land of Giants! When I heard Donnie was in the hospital, I was troubled, sad and prayed for a speedy recovery. The next I heard was Donnie had passed away! OMG! I wept tears for the loss to his family and all his friends including my new found friend. Donnie, I'm guessing you answered the call all these years and now the Father said "Well done good and faithful servant" and the Lord call him home. RIP my friend, Till we meet again, Rest in peace brother!

“ I never got the chance to meet you Donnie, but I know I will meet you in heaven some day. I truly enjoyed talking with you on the cb radio my friend. You said a prayer on the radio and I knew you was truly a child of God. The first time I talked to you on the radio I asked you if you was a preacher you said no. But you were a child of God. Bought by the blood of Jesus. As you told me when you found out that I am a veteran that you was saluting me.. I sir am saluting you my friend. Your radio friend and brother in Christ.. “ I can remember Donnie at the Williams' family reunions. He was always full of joy and the FRIENDLIEST person there. He would talk to my father, Stephen, for what seemed like hours. After my father passed in 2013 my family and I attended a reunion and there was Donnie. He came up to me and hugged me and told me how sorry he was for my loss. The world lost a good man when it lost Donnie. Rest in absolute peace Donnie, you will be missed thoroughly.

“ *Preacherman (Donnie) was a dear friend of mine on the CB Radio. When I first moved to Conyers, I would holler on channel 19 for a radio check. He'd always say, come on back radio check. A few months went by, and never thought twice about it, until I caught up with him again this time on a new channel. He was always very entertaining to listen too and a dear, humble gentleman. He had a great heart and always would pray for you and as said before he loved his country and the people who serve it. We will really miss you Preacherman. Prayers to your mom and precious family. - Mountain Mover*

“ Many people say that the hadicapped are very limited. Many say they dont understand life but let me share: Donnie was my older brother, my friend and most of all, my hero. Donnie had a compassion, true compassion for people. He asked me one time, "Brother, I work with the food bank every week and I try to help everybody we can. The only thing I dont understand is when I try to tell them of Gods love and what Jesus did for them, they refuse to listen. Why, why do they do that?" I then told Donnie this: " Donnie, you are doing the right thing by telling them. They now have to choose. It is all up to them. You have done the right thing by informing them." Donnies purpose was fulfilled. I explained to our mother: "Donnie shared the gospel with every person he was to share and when God saw he had fulfilled his commission completely, God said, ok Donnie, come on home where you can reap the joys of your actions, your sharing and your display of Gods true love.

*Thank you Donnie for showing me Gods true love in all you did. You truly have made a difference. I love you brother and I am so proud beyond measure to have you in my heart, my memories and most of all, in my life always. I will see you soon.*

“*Pretty sure Preacher Man(CB Handle) was the first truly honest man I met on the airwaves. I would change my route just so I could key up and call his name, hoping he would come back. He was a true Man of God in everything I witnessed. He prayed continuously for me and my family as well as every soul he encountered. God gained a true Angle when he called Donnie home. I am thankful for the time I was able to spend with him and pray for peace and comfort for you, his friends and family in this time. Break one nine, how bout ya Preacher Man. You got it on?*

“ To my dear friend Donnie, "aka" (Preacher Man) on the CB Radio... You are going to be missed my friend! Donnie and I were both a BIG TIME Trump supporter. If you knew Donnie you probably knew his love for CB radio and Donald Trump. If you knew that and were lucky enough to catch one of our rally's live on the air then I don't need to tell you how much of an influence he was for the Trump's election. He never hesitated to inform the low information crowd and voters of what they needed to know. I regret he was not able to be around to see all the great things president Trump will end up doing for our great nation. You may think this is not a time for politics but let me assure you that Donnie would not have had it any other way. He loved this country and he was a HUGE Donald Trump supporter. That is how him and I become such good friends. For those of you that don't know me and are wondering who I am, I can sum it up in one word.. He called me "Bubba"

R.I.P. My Friend. <3
