“ I knew Dot from the State Health Benefit Plan and then I had the honor of working with her at Corrections. She never had a cross word and was very passionate about the employees she served. I am so sorry for your loss and will keep your family in my prayers. I remember when she would be picked up in Forsyth and enjoyed meeting her family.

“ I just heard about Dot's passing and am so sorry for your loss. We worked together at GBA and then again at Corrections. She was the kindest and most caring person I have ever had the pleasure of knowing. She took so much time with people helping them understand their benefits and if there was a problem, she chased it down until it was resolved. She had such a gentle and caring nature about her and so many loved her. She will be greatly missed.

“ Dot was the best friend anyone could have been blessed with. She was kind, loving, thoughtful, had the patience of Job. She was a very devoted spouse and loved Wayne as God taught us how to love our spouses. She loved her children and knew God had blessed her with Jeff and Jennifer. The world was truly blessed by a wonderful person when God sent her too us. Now she is in Heaven and we can rejoice.
