“ I remember Dot from her years of working with my father, Louie Austin, in the transportation department for Rockdale County Schools. Dot had just the right mix of organization skills, patience, and sense of humor to bring order to the craziness. She had a wonderful life and brought joy to all who knew her. My condolences to her family.

You described her to a “T”. She enjoyed working with your father and thought highly of him — I remember being there with him as well -what a nice man. Thank you so much, Brenda.
