“ *Pray God comforts you and your family during this time, my Mother Mary Lou Morris was so appreciated of all that he and his wife did. Picking her up and taking her to church. I am sure my mother and Dwight are rejoicing in Heaven even as I write this.*

Few man have the type of heart that Dwight had , what a better world we would have if more people had a heart like Dwight's. The family was blessed to have such a person in their lives, Love makes it even harder to say goodbye for now. and Dwight caused love to abound. Thankful my mother and family knew him.

“ Words cant describe how everyone is feeling and I just want to say I loved this man so much. He was an honest up right man of God he didnt want to be your friend per say he wanted to make sure you wasnt going to hell. He will surely be missed I remember him saying to me I'm not here for friendship I'm here to teach you and minister to you. But honestly to meet him and not love him something was wrong. Love you all and my prayers go to you all.

“ Pastor Garrett was more than a friend, he was our Spiritual Go To Guy. No matter who you were, when there was a need, Dwight was the first one there. He was a beautiful child of GOD and the only man we've ever known who had a direct line to the LORD. His passing leaves a hole in our hearts, but we will try to fill it with his memories.
