“ I would like to offer my deepest condolences to the family of Mr. Hays. I have known Mr. Hays and family for a very very long time. I never knew for him to not be a very sweet and happy person. Always full of smiles when he would visit us at the dentist office. He loved his wife, your mom dearly. I saw it every time they walked through the doors up until she couldn't come anymore and then passed.

I hope you all find peace knowing they are walking hand and hand together for eternity...

May God bring you all comfort during this very difficult time

Love,

*Yvette
