“ Family of Ed Holcombe we are so sorry to lose such a special person to us. Ed and I grew up in the same church and then through high school. He is especially close to our hearts because he introduced me to my husband at Dekalb College. They had played sports against each other in high school. In fact he was one of our groomsmen. It sounds like he has a beautiful family. So glad he had a good life and he will be missed by many.

Ed was my older brother. He was my first coach teaching me baseball, basketball and football fundamentals. We grew up in a small two bedroom house loved by wonderful parents. Ed was an achiever and mentor. He loved to pursue excellence but never at the cost of another person's dignity. He was always a gentleman and loved his whole family tremendously. He loved a good ball game both watching and playing. He achieved many honors in school and his career. But was modest and loved the achievements of his kids and grandchildren more than his personal successes. I will miss you and never forget you. I loved you and thank you for all the love and mentoring and for being a great example for many. Loved ones are waiting for you on the other side. Have a wonderful reunion.
