“ *Whether in a Finance Committee meeting at First Baptist Church many years ago or more recently at home with family and friends, I have known Jack as someone who had a special caring way to make his viewpoint known. I will always remember Jack by his quiet, attentive way of listening a long while, and then inserting a clear-cut, soft-spoken, factual statement in one or two sentences. What he voiced, I believe, often reflected from his heart a Bible-based truth and steered discussion toward good resolution.*

Jean, Eddie, and Connie, I have observed these same qualities, already firmly stationed in each of you. You are carrying forward the legacy of loving-kindness that Jack's life represents.

Love you Jean. Jack meant a lot to me while I was at CHBC. He was a good teacher and had good counsel. Never forget his boisterous laugh. Great memories talking with him as he cooked our suppers. He will be missed but his faith has become sight. Jerry Grey

Love you Jean. I remember when you first invited Joe & me to your Sunday School Class. Of course, Jack was the teacher. We loved his teaching & the class so much that we never wanted to attend another Sunday School Class at CHBC. We were so sorry when he had so many health problems & had to give up teaching. He was a good man & we loved him very much. Judy & Joe Lathem

Our hearts reach out to each one in the family, especially to you Jean, in the loss of your beloved Jack. Many wonderful memories keep popping up, mostly from that little SS classroom where Jack taught us with much wisdom and you joined in with facts and your dry humor! How he loved Southern Gospel Music! We enjoyed hearing him sing but also the many groups he had come to CHBC. And that precious little grin of his - what a wonderful man of faith through the rough years as well as the good! Now that faith has become sight!!! O Jean, may God just lift you up and give you His peace even in the midst of sorrow. Love you so.

Love to you Jean and all the family. So enjoyed many Sunday lessons in his class. He certainly lived what he taught. I loved to hear that deep voice singing also. If anyone ever gained their "wings" it was Jack Anthony. Love to all, Nancy Dupree
