“ I remember Ed from 1425 Oak, K.C. He was a gentle giant. I did not know until I read his obit that he was from Garnett. Our friends Lonnie, and Martha (Steele) Chase were Garnett residents also. I remember when our sons were in school, active in sports at Spring Hill, we competed against Garnett players from the Rockers families. The roads we travel are not always smooth, and if the mountains were smooth, we could not climb them. Sincere Condolences to you for your loss. Ed was not a person you would forget.

Brenda, I learned just today of Ed's passing. I worked with him at 1425 Oak. After they closed the office and everyone in Private Line went elsewhere I lost touch with both of you. Ed was a good man and a good friend at work. I know he will be missed so much by you and your family. Fondly, Anita Medellin Hohnecker
