“ *I'm Elaine's daughter, I thought I could speak at the funeral but I was wrong.*

*In my early years my mother was a working mom, who put her family first but was also a very dedicated employee to the State of Ga. I could share countless memories of them watching my softball games, my cheerleading games. Also fans of my brothers many sports soccer, basketball, football, baseball and wrestling. And there were also many many memories at the pool with sports teams and friends till late at night. Then we met neighbors next door. They moved in with children the same age as my children. We had many memories with the kids swimming every weekend with my parents and my father even teaching Davey and Audrey to swim. Mom was always at the grandchildren's sport events. She was always late but she was always their biggest cheerleader!!!!*
