“ *Abbie, your Mom was such a special lady! In my memories of her she will always be a strong woman who lived life with enthusiasm and exuberance. She was quick to share a story, an opinion or a laugh, and there was always a sparkle about her. She will be missed by many, but I know how very much you especially will miss her. Since she passed away on my mother's birthday, I hope she was able to join in on that heavenly celebration upon her arrival! Love you, sweet friend.*
