“ *I'm sorry we were not able to make it today but wanted all to know we send our deepest condolences to all. Aunt Eleanor was so kind, caring and loving to all she met. She could light up a room with her smile and grace. My memories of her are ones of laughter, and the love of our lord and father. She loved her family and loved to cook! I will always remember her with her apron on and preparing all those childhood holiday feast we were able to be present for. Love you Aunt Eleanor! Until we see each other again*
