*I am so sorry. Eleanor and I were friends before we even started to school. Although I lived out of state for many years, we never lost touch and saw each other from time to time when I was home. I felt like Joel and Eleanor was a part of my family and I will truly miss her. I will keep all of you in my thoughts and prayers.*

*I am so sorry for your loss. Eleanor was a true friend to our family. I only knew her through church. A very Christian lady. Our Sunday school class was a very close and loving group to each other. Eleanor was a group leader for many years in our class and you could depend on her call weekly. She will be missed by her church friends very much. I will keep Joel and the other family members in my prayers.*
