My sincere condolences. I worked with Beth for many years at GWP. I remember her as an excellent nurse, a caring person with a ready smile, good sense of humor and good giggle. We talked about my boys and Russell. She was/is so proud of you. She so loved you and Scott. I pray for eternal peace for her with Emily.

Thanks for ,making a way for us to “participate” in Beth's home-going service. We have been praying for you, Scott and Russell, with love. I loved working with Beth on Mother-Baby at GWP for many years, and was privileged to share in the joys and sorrow of her life— she was such a clear witness for Jesus to staff and the patients. She treated each person who came in with kindness, patience and excellence and was a compassionate teacher. The world is smaller without her!

“ *Dear Scott and Russell,
I am so saddened to hear of the loss of Beth. You are in my thoughts and prayers. Scott I have great childhood memories of going to school with you, and I was very fortunate to get to know Russell and Beth when I worked at Magill Elementary in Gwinnett County. You were all a blessing to our school. Russell your smile and sweet words made my day each time I saw you at Magill. Beth was so creative and hard working giving so much time to supporting Magill Elementary. Also, I was so lucky to work with Beth's sister, Amy Woods, at Magill. She was so kind and fun to work with always. Please give Amy and her family and your family my condolences. God Bless You!*

“ Beth was my best childhood friend and there are not many of my fondest childhood memories that don't include her and her sisters. This photograph really encapsulates how I remember her. Always lighthearted. My heart just breaks for Mrs. Bryson, Scott, Russell and the Bryson girls and their families. You all are in my thoughts each day.

“ Deeply saddened upon learning of sweet Beth's passing. I was a counselor at the American School in Riyadh, Saudi Arabia and as sponsor of the Student Council worked closely with Beth, who was its President. She was a wonderful caring young woman. My son, Al Fisher, was in ACS of Athens with Wendy and Alex. We both send our deepest sympathy to Beth's family. Sue Hale

“ I was blessed to teach Russell in 4th & 5th grade, and grateful to have Beth as my amazing room mom for both of those years. I fondly remember the many thoughtful things she did for the class and me during that time. Love, hugs, and prayers to family and friends.

“ I was very sad to hear of Beth's passing yesterday. Her family lived across the street from mine, when my family moved to the 0-3 compound in Saudi Arabia in 1987. After her family moved to Arabian homes, Beth and I became great friends. She spent a lot of time on 0-3 with me, and I spent a lot of time at her home as well. Beth's family was always so welcoming. We shared a million laughs together. I will cherish every single one. The only picture I have of her was taken by her Dad. Her and I spent the entire weekend preparing her posters, as she ran for class president her 9th grade year in Saudi. He snapped a great photo of us holding up all the posters made with hard labor and love. I will never forget Beth's sweet soul, and the way she cared for everyone. My thoughts and prayers are with Beth's family and loved ones. Please know she was loved by many and will not be forgotten. 🥹💚🙏

“ I am truly heartbroken over Beth's passing. I was Beth's hairstylist and she became way more than just a client. She was one of the sweetest people I ever had a chance to meet. So genuine and loving and always trying to bring me up at her hair appointments even though I knew she had her own battles. She was a follower of Christ and we had several conversations about it and I hold that near to my heart. I had a sweet spot for her and her sister Amy and her friend Melissa and I send my love and prayers to all who knew her.
