“ Liz is the kind of mother-in-law everyone should have. She always loved her kids and grand kids to a fault and saw the best in everything they did. She was always proud of her family and would do anything for them. She always treated me as much like a son rather than a son in law and I will miss her sweet spirit and her kind words more than I can express! She and Bud both have always been great to all of us and there will be a great void left for all of us to fill. Our solace is that she is comfortable and with her Lord and Savior in heaven above. Liz, you are loved and missed greatly!
