“ Dear Susie, Ernie and Charlotte,
I am so very sorry to find out about Ernest's passing. When I attended BUA and Belmont Baptist Church in 1984-1986, y'all were my family, my home away from home. I am so appreciative of all the love and care you gave me back then...I haven't forgotten y'all over the years! I think of you often and remember you fondly. I pray that you find peace and comfort. My love to you all!

“ Dear Suzie & family, I think your pastor gave such a fitting description of Ernie at the funeral saying he was the man with the bright smile and caring heart. Ernie seemed to care for everyone, extending a helping hand wherever he could. He was a positive presence at our company (ASIC); a hard worker; and a loyal, appreciative staff member. He was a friend and a gracious host to many. Ken and I felt honored when you both invited us to dinner, and Ernie grilled up the best salmon we've ever tasted! We'll miss him but are blessed to have known him.
May you feel the comfort of Jesus and your precious memories at this time and in the years to come.

“ Big E was my supervisor at American Southern, he raised his voice a lot, but at the end of the day, he had your back. A God fearing man, a family loving man, loved him some Susie. great heart. He would help you any way he could , if he could. I have a tbreakfast table in my house that he gave me when i broke the glasstop on mine 15 years ago , when I moved in my house. He said " Bubba , this will hold you until you can get you a table , my aunt gave this to me and Susie when we got married ". Thanks E for being the man that God created you to be. I will miss you down here , but I will see you in heaven. To Susie and the family be strong , only God almighty can see you through . Trust in God, Look to him for comfort

“ *Ernie was one of the bright spot at The Waffle House, along with several others that met every morning when his health was good. He demonstrated his faith in Jesus and we are sure that Jesus is smiling to welcome him home. We are the ones that are the biggest losers. But he made his mark. It was a privilege to have met him.*

“ Ernie was always there to help anyone that needed it, without hesitation. He helped me out numeorus times, whether it was due to car issues or a problem with my house. I am so grateful he called me and let me know about his condition; he faced it with courage and faith. Ernie was a special person and my heartfelt sympathies are extended to the entire family.

“ *Susie, I am so sorry. We loved Ernie so much! My favorite memory of Ernie is going zip lining with you and Ernie. It was kind of a team building exercise he was always trying to keep his employees engaged in positive ways. What a challenge that day was especially for you and me with our little short legs trying to reach the next step. It was such a fun time spending the day with the two of you. I will be praying for you and your family.*
