“ Evelyn was always so pleasant to me and my kids. I enjoyed talking to her when ever time I was with her. She had so many stories to tell that kept your attention for ever. She was the kind of person to take you underneath her wing weather you were family or not. I will miss her very much and will remember her for her huge heart she had for everyone. It will not be the same without her on the special occasions like Easter, Birthdays, etc.
What a Wonderful Life she had. My hearth goes out to her and her Family.
