“ I've seen that lovely face so often when we came in QC's. She was never hesitant with her smile, but always open and glad to see everyone. She was a charming lady who seemed to enjoy life. I am always struck with the unity of your family and the love you all seem to have for one another. I know this matriarch will be missed but her body just could not handle this last hurdle. Prayers for each of you Barbara and Bob, Denise, Joe and all those beautiful grandchildren. I'm sure there are other family members just as devoted but the ones i have mentioned are the one's that I know. Your family is in my prayers as you work through your grief. Jerry and I love you all.

“ Grandma Swords was a beautiful woman. Karen and I loved our time playing dominoes and being a part of her wonderful family while in Atlanta. We feel so blessed to have had her in our life for just those few years. We are sending all of our love and prayers to the family right now. We wish we were there to hug each one of you

Mrs. Swords certainly loved her family--each and everyone in a very special way. Her smile was contagious and never ending. She will certainly be missed.
