“ I met Fred in 2001 and have loved him and Terri since. I have eaten dinner with them and got to hear Fred pray before the meal. He loved Terri, his family and his friends deeply! He always took time to just sit and talk to you. I loved hearing his stories about Vietnam. He and our fellow Americans went through some hard times in Vietnam. Fred was proud of his service to the United States Marines. He served our country well. He passed a lot of good traits and qualities to his kids and grandkids and left lasting memories with his family and friends. I'm so glad I met Fred so many years ago and got to be around him the times that I did. He was a blessing to many! I hope we can all touch the lives around us as Fred has. It is sad to lose such a great man but it sure is peaceful knowing for sure he is in Heaven. I hope we all hear "Well done my good and Faithful servant" when we pass. Let's all strive to be more Christlike in all we do. I know he wants us all to carry and live our best life for God, our family, our friends, our church and our country. Always Faithful!

Love,
Brian Oglesby

“ *Fred Abbott has been a friend of mine since Toney Elementary School's first grade. Fred was a class act even as a youngster . He had friends all about him growing up in school and sports. He was a warrior, protecting his country as a Marine, with tours in Viet Nam. Fred always met me in the hallways at school with a big smile of friendship. He was small in statue but had one of the biggest hearts of anyone I have ever known. He was a joy to be around and I will miss him.*
