“ When my kids were in grade school and middle school, we lived across the street from the Chandlers. PawPaw, always being helpful, would take his grandkids- and my kids- to and from school. This was a very nice thing but what I remember most is that he always brought snacks and drinks for the kids. He was kind, helpful and generous. We all miss Smokey.

“ I remember him and Great Aunt MinnLee at Mom Momm's house at times, with some of my mom momm's other brothers. I remember him always with a cigar in his mouth. Will miss you at the family reunions and other things...

“ *I have so many memories of PawPaw. The one that sticks out is One day I am cleaning house and there was a knock on the door when I answered it. PawPaw was standing there with a 64 oz Diet coke. His reply to me was I felt like you could use a diet coke today. Pawpaw has always been like a granddaddy I never had ,he is forever in my heart My prayers and thoughts are for each person that PawPaw touched throughout his life. He will be missed.*
