“ Martha,

I have many fond memories of our times growing up in Denmark. Freddy was a great friend and he will be truly missed. We even rode together with Charles Cook to OC Tech each day for classes in Orangeburg after high school. I also remember the times you came with him to Columbia for National Guard drills and we got together for some fun. You and the family will remain in our prayers. If I can do anything for you, please let me know.
