“ *Ray, John & Chris,*
My heart aches for you & the rest of the Cook & Donald Family . Fredna & I have been friends for many years . She was one of the kindness people I know , each time you saw her a big smile on her face & beaming with love. When I first meet Fredna was at the baseball field, Ray umpiring & our sons Chris & Scott playing baseball, they were just little fellows that continued until they were 12 yrs old, so much fun times we shared. My deceased husband, Earl Nance & Ray were good friends & played a lot of golf together. These Friendships were Dear & Special, I am so Blessed to have this family in my life. God Bless.

“ Oh so many things I want to say about my "other mother" Mrs Cook. She loved me like one of her own. She always gave the best hugs. And never had a hair out of place, like a true southern lady. Mrs Cook loved my son so much I swear her heart would skip a beat when she got to see him. I am broken and sad that my son will only have a few memories of this amazing woman. What a party they had in heaven when she was called home.

To the Cook family- I hope you know we are all here for you no matter the time of day/ night. You are ALL loved so very much. The world is truly missing a special lady.
