“ *Gail was one of my high school classmates. She was always smiling and a joy to be around. In recent years we have shared many memories at our Class of 1958 Reunions which we held annually since 2002. She and Eddie were always in attendance until the last year of her illness. She and Eddie will be greatly missed each time we gather in the future. Eddie, may you and the family find comfort in knowing that Gail was well loved and you are in my prayers.*
