“ Gary Plunkett was one of the sweetest men I have ever known. He always made me smile and he always had some "words of wisdom" to share... I can't tell you how many times Bill Byington and I quote Gary Plunkett on a regular basis. My favorite was what his grandmother always told him "You are old enough for your wants not to hurt you." I tell my kids and grandkids this often, but Gary taught it to me. Gary was always kind and helpful and while he may not have wanted people to see his sweet side, it always came through. Bill and I both will miss him terribly. Our prayers are with Debbie, Jake and David. Gary loved them so and was so proud of his family.

“ My heart is hurting from the loss of my brother, as a child, he would always protect me and look over me and where ever i saw him thru the years after i was married he would always ask me if i was ok, still looking after me and i hope now you will still be my guardian Angel and watch over me....I love you big brother; till we meet again! Always in my heart 🥺

“ I was saddened to hear about the loss of my Uncle Gary. He was a kind, good-hearted man that I will miss a great deal. No matter how rugged the exterior, he could never hide his wonderfully genuine personality for long. He gave us "Yankees" a different perspective on life that helped make us strong well rounded individuals. I will forever cherish the summers spent visiting him, Aunt Debbie and my cousins. I want you all to know I'm thinking of you up here in the North as you celebrate his life.

“ On behalf of Juan,Diego,Fernando,Luis and myself we share this loss with the family. Gary taught us a lot about business, money, sports, and life. Grumpy sometimes but underneath the surface he had good heart. There are so many things we all could individually share about our experience working with Captain. He loved his family. When i would ask about one of them it would never be a short answer. He definitely wouldn't want us to be sad because we joked about what we would want when this day comes. Family continue to be strong and David you have my number call me anytime. Love you all!

Sending my sincere condolences to the entire family. My name is Larry Washington and I worked for and with Gary (Captain) for several years. He's always been honest and fair. He taught me alot about business and finances. Loved to talk to him about the braves and Budweiser. Lol He was a good man and he loved his family. Always admired how he lived his life his way. He will surely be missed. R.I.P. Captain

“ *I graduated Rockdale County High school with Gary in 1968. He was well liked and the kind of person you enjoyed being around because of his sense of humor. I contacted Gary for moving a company Computer Center back in the 80s, all I needed was a hand shake. He was someone you could trust. Prayers go out to his family. He is missed but not forgotten.*
