“ Tommy and I will always remember Gene as a true example of a neighbor and friend. As a newly married couple years ago moving across the street from Gene, Janet, and their girls and now as "Senior adults", we remember his kindness, concern, and obvious love of his family and friends. He always had a smile and willingness to do anything he could for anyone. I recall one summer afternoon as I, a young mother, spotted a very large snake in my yard. Of course, I called Gene. He came without hesitation to take of the thing very matter-of-factly as I watched from inside. We have missed him since he moved from the neighborhood but we have never forgotten him and never will. My family's life has been blessed by his.

“ I remember a great man who loved his family and had a wonderful ability to know and provide what was needed at the time. Love and support and kindness. A rock for his family and mine. A hug a laugh and a few words of wisdom . Thanks so much for your positive influence in my life. You are now and always most loved Uncle Gene!
