“ *I first met Bryan in the early 1960's when we were teaching in the DeKalb County School (at different schools) and when we were members of The Elysians (Happiness) Club sponsored by the Decatur-DeKalb YMCA for young teachers and professional people. We, as a group, traveled from the mountains to the sea during spring break and holidays. Our latest trip together as a group was to Sapalo Island, Georgia, in 2023 with an older, but just as fun-loving group of individuals. I still enjoyed singing while he played the piano. I will miss him.*
