“ I miss you so much papa. Not a day goes by where I don't think about you. This man is a true hero and a father figure. He made me the man I am today. I miss you having you sneak up on me while I was working on the house or yard. Always showing me a better way to attend and go about things. You had all the faith in the world in me when no one else did. You also taught me how to treat a women you took great care of my grandmother. Our memories I will always cherish and never forget.

“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ *My fond memory is when I came for a surprise visit to Leah and Linda and George picked me up at the airport. Ever the gentleman he came and said Let me take your bag. When I joked with him that should have hired him for when I was flying and had to tote my bags up and down stairs, George didn't miss a beat and said I agree you should have.*
