“ I live in the same neighborhood as Wayne. I only got to know him well after I retired. Wayne was a great conversationalist. He seemed to know everyone from Ga to Florida. We instantly connected when he knew some of the people where my wife’s family grew up.

He always kept a watch out for the community. If you needed to know something about our neighborhood, you could find out from Wayne. Rest in peace my friend. You will be missed. Steve Spillers

“ I am so sorry to hear of Wayne's passing. So many of my memories growing up at Salem include him and Dot and all that they did for the youth of Salem. Jeff and Jennifer, you and your families are in my prayers. I truly cherish all of the youth trips, activities, ushering at the Fox Theater, (the list goes on and on) and the friendship that has lasted all these years. We were so very blessed to grow up in such a caring and nurturing environment. Our "village" really was the best!
