“ I remember the last christmas I spent with gramps. My parents and I went to Florida to visit everyone. We gathered around a table and played phase 10 and rummikub. I know this might be selfish but all I want is 1 more hour with you grandpa.

“ I remember spending afternoons with Grandpa back home in Florida. Every day we watched Judge Judy, then went for a sandwich together. I never got sick of hearing his stories from Wisconsin. He was quite a man, and we'll all remember him. Rest In Peace Killer.
