“ I recently just learned of Jerry's passing.
Jerry Graham was a great man with an even greater heart. I never heard him say no to anyone that reached out to him for any thing. Our business relationship through Voice Data Professional turned into a personal relationship which I will always treasure. May you rest in peace and may God keep you always in his loving arms.

“ *I worked for Jerry for several years, we spent a lot of time on the road. He was a good boss and friend, we had fun on the job and off. He had a good sense of humour, and could make things go easier. I will miss Him, and will pray that God give His family the strength to get through this tough time. God Bless You All, and Peace Be with You. Farewell My Friend, See You on The Other Side. L2A 🤘*

“ Jerry always made me smile. I haven't seen him since high school but I will always remember his kind smile and great personality. He was an awesome dresser. And we share the same birthday. Your family is in my prayers that you find comfort and strength during this difficult time. ❤️

“ My heart is broken. Our kids Kathryn Autumn and Grayson are devastated. Jerry loved in a quirky way. If he was sarcastic to you. He liked you. I have so many stories of his humor that it would take days to tell. I was 17 when we started dating. He was almost 20. Seems like a lifetime ago yet like yesterday. We were soulmates. I keep thinking of all the family and friends who has greeted him with open arms in heaven. His Dad, His uncle Butch, My parents, His best friend Tom. I want to be selfish and still have Jerry here on earth but I know he is free of pain now. He is loved.
