“ I did not know until recently that Mrs. Gladys had passed away. She was one of my mom's dearest friends at Morningside of Conyers. They walked the halls, ate, and visited together. Mom thought the world of Mrs. Gladys, and so did I.

*As it turns out, Mom passed away less than 10 days after Mrs. Gladys. I have not doubt they are enjoying their reunion in Heaven, and are healthy and happy once more.*

*I will never forget Mrs. Gladys' kindness, sense of humor, courage while living in severe chronic pain, and indomitable spirit. My life is enriched for having known her.*
