“ My heart aches for Glenn’s Family . This was a large part of his life , FAMILY ! He was so fun loving , his dry humor would always make you laugh. His friends were dear to him & he showed them each time he was around . He had a life well live. His memory will be cherished and not forgotten. Ada , I know your heart is empty & I hope all can fill the comfort of our Lord & Savior ‘s arms around them . Glenn has earned his wings & he is with Jesus . God Bless and remember his love he shared for each of you ,..
