“ Aunt Gloria... Where do i even start? I am so heartbroken that you left us so sudden. I have so many memories of you and Scott and Kevin. You were the brave aunt that always took us places and the more of us you had the happier you were. I know when Memaw turned around and saw you coming through those pearly gates she yelled YAY... Im so glad to see ya. Thanks to Jason that will forever be in our minds. I love you and will miss you dearly. See you again one day.

Gloria was the kind of friend you could call anytime and catch up on things going on in our lives. She was loving and caring. She dearly loved her grandchildren and gave them so much of her time. The same is true for Dwain and her sons. I know her mom and Dad and Lenora and others were standing there welcoming her home to be with Jesus. Loved you, Gloria and will miss you.

Where do I begin on you Nana. I'm going to miss our chats about life and catching up on all the crazy things going on around us. I'm so sad that we never got to go away on a vacation after I said I would take you for a girls trip. One day, we will have that girls trip and that's a promise.
