Gregory Frank Jesky, 75, of Conyers, died Tuesday, July 28, 2020, after a prolonged battle with congestive heart failure. Greg attended Holy Name Catholic School in Cleveland, Ohio. He received his Bachelor of Science Degree in Mathematics from Georgia State University. A BellSouth employee for 30 years, Greg worked with Nobel prize winning mathematicians and scientists on advanced telecommunications projects. He also oversaw the creation and implementation of the 911 emergency call system. After retiring as a District Manager, he became a Vice-President for ENA, a communications technology company. With his son Chris, Greg later founded Communication Resolutions Inc., from which he retired in 2016. Greg enjoyed his favorite hobby, fishing, with his two sons and his grandchildren. He loved children and opened his heart and home to all. A parishioner of St. Pius X Catholic Church in Conyers since 1988, Greg served in ministry as an usher. “*“Something” told me this morning to look you up, that maybe I would find some news about you and the family. And Greg's obituary turned up! I know you are all devastated, and you have my prayers for comfort. I don't feel my Jerry will last the year. He is disabled, with NPH (had a brain shunt), and dementia. I lit the lavender candle as its the color of transmutation. And one will be lit here in his memory. Sending Love to you and Jeff and Chris*

“ My deepest condolences to you Linda, and your family. Both Ronnie and I were deeply saddened to hear of his passing. I remember Greg as a man devoted to you and the family. He loved you so much. I came by one day to meet with you and you were out running late. He was so kind in making sure I had a glass of iced tea. I don't think he knew what to talk about, so he just told me stories about you. Nothing much, just nice things. His eyes sparkled with love and pride. I'm so sorry for your loss. Love, Patti and Ronnie Wilson

I am so sorry for your loss. Greg was a very special person. He knew just how to make you feel special and knowledgeable. I always loved sitting and talking with him. His knowledge was amazing on such a wide range of subjects. His love of baseball was dear to his heart. I know he's in a better place but he will be missed here.

Sharing my deepest love and friendship for Linda, Chris, Jeff and family. May Greg's journey to heaven be surrounded by choruses of the angels and saints. May the angels walk with you At this time and hold you until the pain goes away. Greg was a dear friend who always made me feel loved and welcomed. I bet my Tom and Greg are already enjoying deep discussions as they used to do. May you lean on your family and friends for company and prayers. I am here for you always.
