“ You are in our hearts and prayers at this time when no words can ease the pain. Remember the love because that is what remains with us. I think back to the time we all went out to eat and he was so proud of the Pete the Cat books. He got me hooked. I know he loved his family and that speaks to his heart. We love you all.

“ We are going to really miss his guitar playing and singing good gospel songs. He sung with deep emotions to the words of the songs. He loved the Lord and was always with his family at church. May the family find the love of his church family in this sad time of their lives.

“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ Dorsey, you exemplified a true love of music and family. You know I'm gonna sing an Elvis song just for you. That love was infectious, and real. Thank you for your presence in our lives.
