“ *Uncle Harvey was always the one that had the family gather in a circle at the Christmas gatherings or reunions, and then he led us in prayer before we had our family meal together. Harvey Farmer was my Daddy's youngest brother who passed on Monday at the age of 86. Daddy was the oldest of the six siblings and Uncle Harvey was the youngest. I regret that I will not be able to attend his funeral on Friday, because I am scheduled for a PET/CT scan to determine the extent of my cancer before I start chemo again.*

My prayers will be with all the family.

“ I am Daniel Skinners daughter, Coleen, and I am Casey Leavell's mother. I love the fact that Mr. Farmer and Mrs. Farmer gave my son Casey his very first job during high school and a little after high school. He also kept my dad warm and able to cook his food for over 40 plus years. What I saw of Mr. Harvey, he was one of a kind, and had so many people that loved him dearly.

Mr. Farmer was always a kind, hard working man, he delivered our lp gas forever and worked on all our small motors, he will be terribly missed!

“ Oh the memories! The Farmers were like a second family to me growing up, like they were to many others I am sure! Connie and I were friends all through school, and I spent a lot of time at the Farmers between spending the nights, rides to baton lessons and just hanging out. Our parents were friends as well, not sure where that began but they had a lot of mutual respect for one another. Our parents were and are very special people who taught us well by example and love!! Mr. Harvey was kind, always had a smile, He talked, but not a lot but he had this way of making you feel welcome and a part of his family when you were there. Mrs. Margaret is a rock and always has been even in difficult times. Together she and Mr. Farmer made a great team! I am thankful and blessed that our families shared a friendship. Those were great years! Sending my love and prayers for comfort to Mrs. Margaret, Connie, Warren, Gordon and their families. Mr. Harvey was a special man! Much love, Anita Compton Reagan ——- Janet, Tommy and Mama send their love as well!

“ Prayers and sympathy to the family. Harvey and his wife were always so free with their advice about my lawnmower and even ordered a part if need be. But my best memory of Harvey was he gave his time and care years ago to coach Boys' Baseball. One of my sons was privileged to be under his excellent and honest coaching. RIP
