“ Virginia Lee Busey Bryant Jarrard....so sorry to hear of the death of my precious "first" Cousin , Hattie Lee Hicks ! We became disconnected during our life time as we grew older, married and moved around from one area to another ! She and I were very close as young children, our families were always close neighbors which allowed us to be together most of our growing up years! Would love to hear from her surviving relatives that could tell me where her sweet husband and children are ! Would like to send my condolences and get to know her Children if possible! Just one more note---:Lee and I were closer than Sisters as playmates, school mates , joined at the hip type of cousins! Love to all of you, Virginia B. Jarrard, 13175 Hutcheson Ferry Road, Palmetto 30268 at # 770-463-4451 (Retired , home most of the time, any time of day or evening!) Please help me reconnect with Lee through all those she loved so much !
