

## Hattie Marie Williams

August 23, 1943 - May 31, 2018

Hattie Marie Baker Williams was born on August 23, 1943 in Elberton, GA to the late Major and Hattie Baker. She was the third of twelve children and was preceded in death by her parents, and two of her siblings, Samuel Leon Baker and Gladys Harper. Hattie attended and graduated from Blackwell High School in Elberton, GA in 1961. She began her professional life working for the U.S. Department of Agriculture and eventually became one of the first African-American females to work for The Westinghouse Company in Athens, GA. In 1969, Hattie was united in marriage to Lougene Williams, Jr. Hattie and Lougene were the proud parents of two children, Lougene III and Adrian. Hattie loved teaching. She taught Sunday School and vacation Bible school for many years. She had an opportunity to teach pre-school children while living in Augusta, GA. 'Aunt Ree' was a strong supporter of her family. Once she moved to California, she wanted to expose her younger relatives to a different way of life by providing an opportunity for many to visit her out west. Anything that she could do to provide help, support, or words of encouragement for anyone - she provided it with a smile. She was an inspiration not only to members of her family but to all who met her. On May 31, 2018, she answered God's call home to receive some much-deserved rest. Hattie leaves to cherish her memory, Lougene and their children, Lougene Williams III and Adrian Baker Williams, her grandchildren, Alexis Massey Williams and Justin Baker Williams, by her sisters, Fannie Banks (Leroy), Gloria Statom, Shirley Baker and Erma Baker, by her brothers Eddie

Baker Sr. (Sadie), Horace Baker (Connie), Major Baker, Jr., Freddie Baker (Sarah) and Thomas Baker as well as a host of nieces, nephews, cousins, great nieces and great nephews and other relatives. Funeral services will be held Saturday, June 9, 2018 at 3:00 p.m. at Scot Ward's Green Meadow Chapel with Rev. James Williams and Rev. “ I have been able to call Mrs. Williams’ eldest son, Gene, my friend, since elementary school in Augusta, GA. Mrs. Williams was a beautiful person, caring, insightful and, always, provided the correct advice. Her impact is evidenced in her children, grandchildren, family and friends as she touched each in a special way.

We offer our sympathies to the Williams family during this difficult time.

“ I went to junior high and high school in Augusta with Mrs. Williams' oldest son (Lougene III), and got to know her during that time. She was a very smart lady with a wonderful smile and a caring spirit. She and my mom kept in touch periodically even after Lougene and I left Augusta to attend college.

*My condolences go out to the family at this difficult time.*
