“ *Terri,*
As I was riding back to Conyers to attend a memorial service for a dear friend on Saturday afternoon, I passed by your parent's home on Green Street and thought of Toots. I had no idea that she had passed until later in the day. I would have loved to have seen you again after so many years and hearing so much about you and your sweet family from your mom. Terri, she was so proud of you. I feel like I got reacquainted with Toots through my mom, Betty McCollum, and so enjoyed worshipping with her at Conyers Presbyterian. Mom so enjoyed her visits with her, and Toots was so kind to make visits and phone calls to mom when she became homebound. I talked with her several times after her move to Texas and regret not keeping that communication going. She was a beautiful lady and I know you will miss her dearly. May your precious memories and God's love bring comfort to you and your family.

“ Dear Terri, I am sure that you do not remember us, but Helen (Toots) was Robert's 1st Cousin, Julian Brisendine's wife, and a beautiful woman, In 1953, we asked Helen to sing at our wedding. I had never heard her sing until our wedding rehearsal on Sat., February 21st. Helen had a fantastic voice and even tho she had developed the beginning of a "sore" throat, she sang on February 22, 1953 so very special! That is the tribute to Helen we have and one of our very pleasant memories.

Our love and prayers are extended to you now.
