“*Helga could light up a room with her smile, but she never failed to make me laugh with her scowl! She would tell people that I was her “Bestie”, but I don’t think she knew exactly how much she meant to me! I look forward to the day when I meet her again, & she can tell me how bad the food is in Paradise, and she’ll be standing up straight & tall, with all of her own teeth, and in absolutely no pain! I love you, my sweet friend, and I miss you so much already! Bis wir runs wieder treffen.*
