You were always my favorite costumer at IHOP. I'll never forget that you wanted "steamed hash browns and a bigger plate for your pancakes so the maple syrup would not go " alll over the table.". You will be miss here. We will always take care of Ms. Jenkins when she comes here. RIP coach.

“ *Condolences to the family for your loss. My friend Clay and I would shoot baskets in the Jenkins backyard, and Coach would kindly come out to correct shooting technique. Clay took me to a game at Brown High in it's fading days and I loved it, still remember that night. That would have been about 1969 or 70.*

“ Dan Pendley, Brown High, class of 1971. One of those "special" people you meet in life and you realize later in life, due to your paths crossing, you are the recipient of fond memories he made happen. Gave his all, as a coach, to make you play your "A" game in basketball, every game and every time, be the best you could be, "leave it all on the court". Ask him to make a half court swish shot, no problem! What life is all about, give it your best shot, so no regrets. In football he helped coach the running backs and me being a lineman escaped his Coaches in my past, just like him, got me to preform at my very best not knowing I could reach the goals I did and no way could have done so without their coaching and encouragement. Thanks to "Coach" Jenkins for showing me the pay off in giving it your all, your best shot, in sports and for that matter, in all aspects in life, just do your best. Only here for a short time when you think about it, so go all out, be the best you can be. Thoughts and prayers for Arline, family, friends, loved ones, etc. Thanks for the memories, Coach. RIP
