“ *What a beautiful sister and friend in the Lord! We will miss her phone calls. She helped us many times when we needed a hand. We love you, Ilee.*

“ *She wouldn't take nothing for her journey now! She said those words so many times to me the past few months. I'm so happy she made it to the end of her Journey in this old world and now begins eternity in Heaven. You made it, Mrs. Ilee! Love, Karen*

Karen, she loved spending time with you and looked forward to each and every day you'd visit. It made her so happy that you would play the piano and sing gospel songs with her. I cannot thank you enough for everything you did especially the last day of her life. She knew you were there and I know it brought so much peace to her.
