“ *Karen, just saw the obituary for Jack. Did not know that he had passed away. Jack was one of the kindest people I knew and always treated me with respect as my boss, friend and fellow Christian. I'm so sorry to hear of his passing and praying for you and your family as you adjust your lives without him but know you have some great memories to help you through the days ahead.*

“ Karen, I have not seen or talked to Jack for years. I will not surprise you by sharing that I thought of Jack often. And the reason for that is the fond memories I have knowing Jack by working with him and becoming one of his thousands of friends. He touched my life. He reinforced my faith in our Lord. He always made me laugh. I remember walking around the pond one day at the old house. We talked about many things. He so loved his God our Lord Jesus Christ, and his family. And a occasional cigar which he had in hand. Jack was always ready to listen. He was always ready to help. Now he is helping all of us in heaven.

The love that you and Karen had for each other, you two graciously extended to all of us who were fortunate enough to call you two friend and cousin. And, you walked the talk of Christianity. “ JACK AND KAREN WERE GREAT FRIENDS OF ME AND MY WIFE MARGARET IN HIGH SCHOOL. JACK WAS NOT ONLY TALENTED ON THE FOOTBALL FIELD, BUT ON THE BASEBALL FIELD, AS WELL JACK AND I WERE THE ONLY TWO FRESHMEN TO LETTER ON THE VARSITY BASEBALL TEAM DURING OUR FRESHMAN YEAR. HE WAS A GREAT FRIEND AND WE HAD MANY SHARED "ADVENTURES" DURING OUR HIGH SCHOOL YEARS. OUR CONDOLENCES TO KAREN AND THE FAMILY.

“ I just saw Jack's obituary on a Block C Club email and am so sorry to learn of his passing. I was excited to see him at one of the letter winner's tailgates and few years ago. I have many great memories of our time together playing football. Jack was a terrific athlete. I remember how Coach Howard just loved to get on case during practice. Before we went out to play Oklahoma one year, Howard kept asking Jack if he was going to let that big old bad tackle they had eat him up! Jack could hold his own with the best of them. I pray that God will wrap his arms around Jack's family and give them peace during this difficult time.

“ Karen, Lisa, and Phil, I am so sorry to hear about your loss. You were all such wonderful neighbors back in the Wonder Valley Trail days. Mr. Aaron (he was always "Mr" to me) was the cool dad in our neighborhood. I will never forget how he would come outside and throw the football with us kids and show us how to play. We always thought it was special that a "real" football player would take the time to play with us wannabe football stars. Truth is--he was the star and probably never knew it. Wonderful, great memories that I will always treasure. God Bless.

“ I am Trey Blackmon, Karen's brother. From the first time I met Jack, 50+ yrs ago, I knew he would always be there to comfort & protect my Sister. Jack has always been an outstanding Husband to Karen & a Father to Lisa & Phil. I have always been proud to tell everyone he was my Brother-in-Law. As the time flew by & the miles between us grew, I still held Jack in High Regard. His trip through the Heavenly Gates will be quick & deservedly so. The sky above us will get another Bright Star to look down upon us. God Speed.....

“ Jack was such a pillar of the Church (HHBC) back in the day. He was wise, hardworking and sometimes tenacious. My favorite memory of him was once when we were disagreeing on something and "discussing" it, he never talked down to me and he heard me out. Afterwards, I was worried that he wouldn't speak to me again but Phil told me that I had earned his Dad's respect for taking such a stand with him. He was a worthy adversary and treasured mentor.

Karen & family, I am so sorry for your loss. He was such a presence and blessing to have known and walked with in life.

“ Jack and I were teammates at Clemson in the early 1960's. I have many fond memories of him especially his big friendly smile as well as our laugh about the gas station attendant in Clemson directed to Jack's trunk to get the \$3 for gas. What he found was some thousands of dollars strewn about (as a joke) in small bills given to Jack as signing bonus by the Philadelphia Eagles as a free agent. My condolences to his family. “ Words cannot express the sadness at this time. Jack and his family were an important part of my childhood. All the memories of vacations, holidays and special occasions are so special but most precious are the ordinary everyday memories. I don't remember many weeks our families were not doing something together. My heart goes out to Karen, Lisa, Phil and Cecilia, and all the extended family members. This wonderful gentleman will be missed ❤️
