“ Too many memories and not enough time to share all of them. We have known each other since we were 8 yrs old or before! If I was to share stories now it would come back to haunt me, Trae, Perry, Craig and few others!!! LOL
Jack was one of the best friends a guy could have. We attended many concerts together, played ball together and chased the girls back in the day.
I keep looking for that weekly phone call and it just doesn't come. I heard a KISS story the other day and actually picked up my phone and started calling you.
Too much to say here and for those who know you they know all I have to say about you.
Miss you buddy and just
Make sure the “27 club” is ready to rock and roll in Heaven....LOL.

“ Jack was long time friends with Ron and I both. If he called Ron and he didn't answer he would call me. Since Ron works and I don't , Jack and I became very close friends these last few years. His voice will forever be in my head 😞 We loved Jack and have and will miss him terribly. RIP my dear friend ❤️
