“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ Jackie and I have been friends for about 79 years and have been close again for the last several years, traveling together, etc. I loved her dearly and prayed that God would let her get well from the stroke but I guess He wanted her with him in heaven. I can accept that but she will be so missed. I'll meet you there Jackie when God wants me there also. Until then, you'll always be in my heart.
